TECHNICAL DATA SHEET

GUARD 80

Alcohol Based Surface Cleaner

- Alcohol Based Sanitiser (over 80% alcohol)
- Kills 99.9% of Bacteria • High Coverage
- Fast Application • Fully Portable System
- Self Contained

DESCRIPTION:

Alcohol based sanitisers have been found to be effective at combating many types of bacteria and viruses including influenza A, Rhinovirus, and certain strains of coronavirus.

Guard 80 is a specially formulated alcohol based cleaner perfect for industrial or commercial operations. Supplied in conveniently sized, portable aerosol cans the product can quickly be applied across large areas. Fast drying and with a pleasant odour, this product can be used to disinfect rooms without causing major disturbances to normal usage or introducing strong, unpleasant smells.

Sanitising Surface Cleaner adheres to the following three hygiene regulations:

EN14476 – Chemical Disinfectants and Antiseptics: Virus in medical conditions.

EN1276 – Chemical Bacterial Activity in Food/Industrial/Domestic

EN1650 – Chemical Fungal and Yeast in Food areas/Industrial/Domestic

TECHNICAL DATA SHEET

DIRECTIONS FOR USE:

- Guard 80 is suitable for a wide variety of surfaces but it is always advisable to test a small area prior to large scale application
- USE IN A WELL VENTILATED AREA
- Hold can 20-30cm away; perpendicular to the surface to be sprayed.
- Apply an even coating of sanitiser across the surface.
- Wipe the surface down to remove excess material. The product can be left to sit on the surface and will evaporate naturally in around 5 minutes (based on ambient temperatures and porosity of surface)
- This product contains a percentage of water so should be used with caution on electrical items

STORAGE & SHELF LIFE:

Protect from extremes of temperature in a controlled environment between 5 and 25°C, and away from direct sunlight. Do not stand on a cold concrete floor. Stored under the correct conditions, in original, unopened containers, the product will have a shelf life of 12 months.

DO NOT ALLOW THE PRODUCT TO FREEZE
